

## Here are your NCTA Monthly Quick Bites for August 2023!

---

The NCTA Annual Conference is just around the corner!! Be sure to check out the [conference website](#) and look for information on the conference app, soon to be available!

### **NCTA 2023 Conference**

- The Membership Division is in need of conference volunteers to work 1.5 hour shifts at information tables. If interested, please complete the [Volunteer Form](#) and check "Annual Conference". Your help is most appreciated!
- If you ordered NCTA merchandise, you may pick up your items at the registration table at conference check in. Thank you for your order!
- Have a suggestion for an evening activity for fellow conference attendees to enjoy? Is there something in Las Vegas that you've always wanted to see? Please send ideas to Naora Ben-Dov at [naora.ben-dov@woodburyuniversity.edu](mailto:naora.ben-dov@woodburyuniversity.edu) to be shared with other attendees via the conference app.
- [NCTA Cares](#)
  - NCTA Cares started in 2019 with the idea of our members being able to give back locally to where our conference is being held.
  - In 2019 we were in New Orleans and NCTA joined with NetWork Volunteers to stuff backpacks with much needed school items for low income households.
  - While we were unable for a couple of years to be local, this year we are proud to partner with [Children's Foundation of Las Vegas](#), an organization that helps foster children currently in care and when they age out of the system.

Use this QR for toiletries

If you want to donate in person, either funds or toiletries, you may do so at the conference. Naora Ben-Dov will be collecting items at the registration desk and those will be turned over to CFLV on the afternoon of Friday the 18th. We hope you will participate and help this worthy cause!

**\*Reminder\* - The Membership Division WANTS YOU to join the Mentorship Program!**

Are you a "long-time" testing professional who can share your knowledge and experience? Or maybe a newer testing professional looking for guidance? Volunteer for the NCTA Mentorship Program, which matches new and experienced testing professionals who can give guidance and tips as you develop in your testing career. See the attached flyer with a QR code for more information and to participate in this important program!

**Newly Certified and Recertified Test Center (Since May 2023)**

**Initial Certification**

Abraham Baldwin Agricultural College - 5/17/2023

South Arkansas College - 6/14/2023

**Recertified**
