

CTC Mission Statement

The mission of the Counseling & Testing Center is to advance the academic mission of the University of Sample by facilitating students' educational, personal, social, and cultural development in order to promote their success and persistence in the university. We are committed to fostering a positive campus climate by promoting mutual respect and supporting cultural diversity within our community.

To achieve this mission, the Counseling & Testing Center (CTC) provides a broad array of counseling, outreach, consultation, assessment, teaching/training, and testing services to assist students in overcoming problems and help them define and achieve their educational, vocational, and personal goals. In addition, the Counseling & Testing Center strives to reach out to the community and region by providing testing services to organizations and individuals. The programs and services provided by the CTC are based on guidelines developed by the International Association of Counseling Services, the Council for the Advancement of Standards in Higher Education, and the National College Testing Association's Professional Standards and Guidelines.

MISSION STATEMENT

The **Sample** State University Counseling & Testing Center supports the educational mission of the University by aiding students, faculty, and staff in their emotional/psychological development, providing high quality testing and assessment services, and contributing to the professional education of graduate students in mental health professions. In addition, the Counseling & Testing Center strives to reach out to the larger metropolitan community by providing testing and assessment services to organizations and individuals.

The Counseling & Testing Center is committed to

- Providing counseling services with the highest ethical and professional standards.
- Creating optimal test environments in compliance with the NCTA Professional Standards and Guidelines.
- Promoting an atmosphere that encourages students, faculty, staff, and community members to readily approach us for our numerous services.

University of **Sample**

Testing Services Department

Mission Statement

It is the mission of the University of **Sample** Testing Services to provide high quality testing, test scoring, and instructional assessment services which ascribe to the National College Testing Association Professional Standards and Guidelines and governmental regulations that promote responsible fiscal, legal, ethical, and equitable practices within an environment of continuous quality improvement, business innovation and technological advancement. The services provided for student, faculty, staff, campus, community, and business partners will be consistently rendered with an attitude of service that demonstrates value in human relationships, personal excellence, human dignity, diversity, and commitment to lifelong learning.

TESTING & EVALUATION OUR MISSION

The mission of the office of Testing and Evaluation is to adhere to National College Testing Association (NCTA) professional standards and guidelines and provide quality services to **Sample University** students, faculty, staff, and the community. We fulfill our mission by offering the most advanced testing options to assist individuals in their quest for academic and professional fulfillment.

Mission Statement

The Testing Center seeks to provide high quality testing services for students, graduates, professionals, and those from the surrounding mid-south community. We strive to administer tests in a pleasant, technologically-advanced environment by specially trained diverse staff with the goal of promoting satisfaction and achievement in reaching academic and professional goals. We subscribe to the NCTA Professional Standards and Guidelines for Post-Secondary Test Centers.

Revised October 19, 2010

The Testing Center's mission is to provide reliable testing administration and high quality customer service in a secure environment that facilitates academic success.

The Testing Centre at **Sample** College, University of Sample, offers internationally recognized English proficiency tests. Our mission is to provide fair and affordable examinations in an environment that promotes equality, accessibility, and human rights.

The mission of the Testing Center is to provide institutional, national, graduate, and professional level examinations to students and non-students in a professional, secure, and accessible environment that supports academic success.

University Testing Services supports the educational mission of the University by providing centralized testing and evaluation services for all campus constituents and the surrounding community.

Our Mission...

Testing Services provides exceptional, accessible, and comprehensive testing programs for the College district and community members to guide and facilitate learning and support the achievement of their professional and personal educational goals.

Our Values...

We affirm and embrace the **Sample** Core Values of Communication, Competence, Honesty, Integrity, Personal Growth, Student Success, and Trust in all that we do.

The Testing Center is committed to providing exceptional, accessible, and comprehensive testing programs for **Sample** Community College and the community. All tests are administered under standardized conditions that are efficient, fair, and secure. We maintain and adhere to all standards set forth by the National College Testing Association (NCTA).
